Membership Information

Your annual dues of \$25.00 per home cover a minimal amount of association administrative expenses. The majority goes to education, prevention, detection and eradication of invasive plants and species that can ruin our water quality, fishing and ultimately our property values.

Please attach your check and mail this form to:

BDW Watershed Association, P.O. Box 234, Winthrop, ME 04364.

We like to contact you by email or our website to keep our costs down. Occasionally, we do a US Post Office mailing. Feel free to contact Steve with pertinent information, contact update info. or questions.

SteveKolenda@gmail.com or 207-458-0123

I would like to make an additional donation to the Lake Preservation Fund.
